RE: Arrival and Dismissal Process

Campbell Parents and Students:

I want to share this information with you regarding the arrival and dismissal procedures for Campbell ISD. Due to safety and security concerns from CISD working closely with Hunt County Sheriff Office, our district has implemented the following procedures for the 2023-24 school term. It is essential to follow these guidelines to support a smooth and secure arrival and dismissal process.

1. With the exception of five designated vehicles that have been approved to assist with the loading and unloading of special situations, no other persons will be allowed to pick up or drop off at the trophy room. **Drop off and pick up will only take place in the car riders' circle drive.**
2. To help support our dismissal process and not confuse our students, please do not come up to the dismissal door and get a child. **Drop off and pick up will only take place in the car riders' circle drive.**
3. Due to Highway 513, the railroad tracks and Highway 24/50 being deemed unsafe, all students should be transported by bus or car.

We thank you in advance for your cooperation with these safety precautions. It's essential to follow these guidelines to ensure a safe and successful arrival and dismissal process. Here's to a wonderful and successful school year filled with learning, growth, and memorable experiences for all students, teachers, and staff. If you have any questions or need assistance throughout the year, feel free to reach out.

Thank you,

Tawanda Fisher
Principal
